## BIKE 31: ONE AND DONE

Enjoy a non-competitive bicycle ride along the new US 31 Highway before it opens to vehicular traffic... making this a truly one and done experience! The Bike 31 route is a roughly 24 mile loop, allowing riders to choose their starting point and distance. All participants are required to wear helmets and sign a waiver before they enjoy this one time only, non-competitive ride.

**WHEN:** June 14, 2014 • 8:00 a.m. - 12:00 p.m.

**WHERE:** Entrance off Pierce Road/State Road 4 just North of Lakeville at the stop light.

**HOW:** Head to [visitsouthbend.com](http://visitsouthbend.com) to register for this one-time-only event!

Bike 31: One and Done is a free event! Bike Michiana Coalition is asking for a \$10 donation the day of the ride. All donations go towards purchasing helmets for Bicycle Safety Classes for local 3rd grade students. The amount of Bicycle Safety Classes offered depends on donations that allow Bike Michiana Coalition to purchase helmets for the classes.
